This approved family paper is strictly NEUTRAL IN POLITICS AND RELIGION, and the uncompromising opponent of all quackery.

It maintains a high tone of morals, and not an article will appear in its pages, which should not find a place at every fireside.

Each number of the Courier contains as much matter as would fill a 12mo volume, the cost of which alone would be the price of the paper for a whole year. The general character of the Courier is well known.—its columns contain a great variety

In the Courier is inserted the music of the most popular Airs, Ballads, and Songs, as soon as they are imported: so that country readers may have the most popular music for the voice, the piano, the guitar or other instruments, as soon as published, which if paid for separately would cost more than the price of subscription. THE Rev. C. A. FOSTER proposes to open a School for Young Ladies, under the name of "THE HOLLY SPRINGS FEMALE INSTITUTE;"on the First Monday in JANUARY next: Deo volente.

The course of instruction will comprise a thorough and complete education; not only aiming at the culture, strengthening, and development of the intellectual powers, but at the refinement of the taste and formation of the deportment for the most correct walks of society.

But as literature and science do not, within themselves, contain principles for directing rectitude of purposes, or to check the abused power of knowledge, it is of vital importance, that the youthful mind be stored with materials for the cultivation of right motives. And how shall this be done? - By the inculcation of a high tone of Christian Ethics. In this Institute, therefore, Christian Morals shall be a prominent feature of instruction.

If, by the middle of September next, public approbation shall respond to this proposition, Mr. F. will procure from the North and elsewhere an able faculty of Teachers. He will spare no pains in placing the Institute in a well organized and permanent condition: and for this purpose will endeavor to procure the aid of a married gentleman of unquestion able piety,—whose experience in teaching has been many years,—and who will act as an Associate Principal.

Mr. F. as Rector and Principal, will be conscientiously scrupulous in supervising the discharge of the Teachers' duties, in order that justice may be extended

There shall be kept up in the School a strict and uncompromising discipline, without which, all efforts to teach must prove vain and useless. Mr. F. therefore, does ployed to make it equal, as a family newspaper, to any journal pub- not wish to receive the charge of any young lady, whose parents will not yield to this highly necessary regulation The location of the Institute is highly salubrious as
